RIVERSIDE SUPERIOR COURT TO BEGIN LIVESTREAMING COURT PROCEEDINGS

Release Date: June 19, 2020

Contact: Marita C. Ford, Public Information Officer

RIVERSIDE COUNTY:

In an effort to balance the right to view public court proceedings with the overall health and safety of the public, court participants, judicial officers and court employees in the face of the COVID-19 pandemic, the court will begin audio livestreaming non-confidential court proceedings on June 22, 2020.

The court will be using a WebEx platform to stream the live feed to a secured IBM streaming service. Members of the public will have access to livestreams through a portal on the court's website that will make it easy to search by courthouse and select the proper courtroom.

Livestreaming will begin in the criminal trial courtrooms and expand to all other courtrooms within the next few weeks, with the exception of juvenile.

Livestreaming services can be found on the court's website under the [Online Services](#) tab.
